Blue Federal Credit Union to Host Fraud Seminar With FBI, and the BBB

Cheyenne, WY. — Blue Federal Credit Union, in partnership with local police departments as well as the Federal Bureau of Investigation (FBI) and Better Business Bureau (BBB), are proud to host fraud prevention seminars in both Wyoming and Colorado.

With scams, identity theft, viruses, worms, and credit card fraud happening more frequently today than ever before, Blue is hosting these educational seminars for members and the public to learn more about these types of fraud and how to stay aware of their financial health. The seminars are taking place Tuesday, March 8th at Blue World Headquarters in Cheyenne, WY and Tuesday, April 5th at BBB Northern Colorado in Fort Collins, CO.

Presentations will include staff from the Blue Risk Department, BBB, FBI as well as Local Law Enforcement. Food and drinks will be provided, and Blue asks attendees to leave younger children at home.

“Finances are one of the most important aspects in your life. We encourage everyone to learn how to stay vigilant to protect yourself from fraud and identity theft,” says Kylee Sara, Membership Development Manager. “Join Blue at one of the free seminars to get real life advice and strategies from experts in the field. It is our hope that by the end of the night, attendees will be more equipped to protect yourself, your family, and your financial future.”

You can learn more about both of Blue’s Fraud seminars by visiting bluefcu.com/belong/events/wy-fraud-seminar for the Wyoming event or bluefcu.com/belong/events/co-fraud-seminar for the Colorado event. RSVP’s are requested for those planning to attend either event.
